Call for an experienced researcher to assist to the project implementation phase and particularly to the Deliverable D5.2.2 Future Trends Workshop

Public Opinion Research Unit at the University of Macedonia Research Institute launches a Call for **an experienced researcher** in order to coordinate, organize, schedule and participate to the **Deliverable D5.2.2 Future Trends Workshop for the purpose of the Interreg IPA – CBC “Greece – North Macedonia” 2014-2020 BeIn Project**. More specifically the experienced researcher will be responsible for all the coordination cycle or the workshop that is estimated to take place in November 2023 in Thessaloniki.

The BeIN project provides outputs addressing to the main challenges of the Interreg IPA CBC Programme. The established synergy among the participating partners of the BeIN is expected to maintain a long-lasting effect on three main pillars; (I) it will facilitate current process of matching supply and demand. (II) it will boost ideas, and will (III) develop capacity and networking.

In order to discuss project’s findings, insights and foster the on-going discussion emerged from the project’s actions, a workshop of “Future Trends” will be hosted by the Public Opinion Research Unit at the University of Macedonia Research Institute.

More specifically, the experienced researcher will be in charge for the following actions:

- **Arrangement and coordination of the logistics of the seminar.** Eg, set up the date and the agenda, contact participants, arrange logistics and details in cooperation with the Public Opinion Research Unit respective project’s team.
- **Agenda set up.** The researcher will draft and disseminate the one-day workshop agenda.
- **Participate to the workshop.** The researcher is responsible for preparing a 15’ intervention relevant to the topic of the workshop.
